

SAAB

ACCESSORIES

SAAB

1. Saab Speed Control - available for either manual or automatic transmissions.

2. Saab AM/FM Push Button Radio - powerful drift free reception through integrated circuits with easy tuning for your listening pleasure.

Saab AM/FM/MPX Stereo Push Button Radio - the ultimate in stereo sound with a full 10 watts of power for pure listening enjoyment.

Saab AM/FM/MPX Stereo 8 Track and Cassette Radios - the most powerful radios in the Saab line - 12 watts of power per channel for incomparable concert hall stereo sound.

3. Saab Child Guard - located between the two front seats for added protection during those sudden stops.

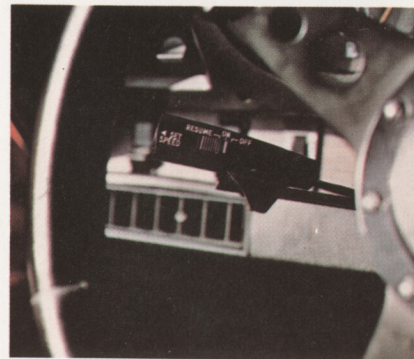

4. Decorative Saab license plates.

5. Rugged, moisture absorbing Coco mats for stylish protection.

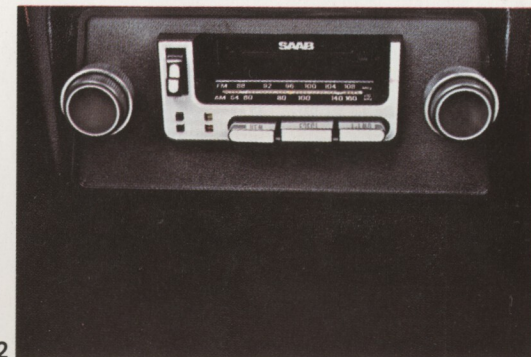

6. Preserve and protect your carpets with specially designed Saab rubber floor mats.

7. Air Conditioner - year-round comfort with convenient finger-tip controls featuring a powerful 3-speed blower, automatic temperature control and 5-directional louvers for maximum cooling efficiency.

The long list of standard equipment included with your Saab automobile offers you distinctive and glamorous styling to make it one of the most thoroughly appointed personal cars in its class. What better base to expand upon with Saab accessories to make it more luxurious, more comfortable, more valuable and most importantly . . . more personally yours.

1. Ski Racks - the Saab rack is constructed of heavy gauge extruded aluminum and steel and is designed to hold up to four pairs of skis and poles. The exclusive locking system secures the skis to the rack and the rack to the car.

2. Saab neck ties.

3. Cable chains - specially designed for use with radial tires.

4. Ski Rack adapter - mounts on the permanent roof rack.

5. Passenger seat heater - fully automatic.

6. Custom fitted Saab seat covers.

7. Gasoline Cans - mount neatly inside the spare wheel for safety.

8. Saab auxiliary fog and driving lights - provide superior lighting with specially developed beam control.

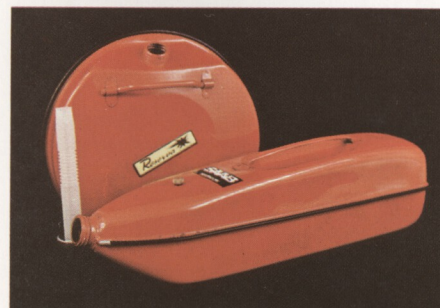

9. Saab jackets and T-shirts.

10. Saab long life battery and engine block heater for those sub-zero days.
